Sing to Sumner High School, colors blue and white.

We'll carry our banners high, with great delight.

Oh proudly we will give her, our loudest cry.

And sing all the praises that tell of Sumner High.

Dedication

We the senior class of 1985, wish to dedicate our last High School yearbook to Wayne Wescott. In memory of times shared and spent, we love him dearly for he has remained with us in spirit. He was a beloved friend to all.

May the sun shine brighter where ever you may be, Wayne.

A black and white photograph of a school hallway. On the left side, there are rows of lockers. The hallway is long and recedes into the distance, where a person can be seen walking away. The lighting is somewhat dim, and the overall tone is nostalgic.

Graduation

Remember back in first grade
We thought we were so old.
The day that we had show-and-tell
And brought in some "fools gold."

Remember a few years later
We thought we were divine.
We teased the "first grade babies"
At the ripe old age of nine.

Remember back in sixth grade
We looked at him with a sigh.
And dreamed of all the coming days
In the huge Sumner High.

Now its eons later
As graduation day draws near.
We think of bitter sweet memories
And remember yester-year.

Remember the hello's the laughter
The talks over all our fears.
Reflect on learning and sharing
Before the good-byes and tears.
